

The Riverview Series combines the strength of steel rails with the beauty of stainless steel to create an upscale appearance for your space. It's generous 25-gallon capacity makes it an ideal waste solution plus, the weatherproof, powder-coated finish provides a long service life and is easy to clean and maintain. The decorative metal canopy cover helps keep weather elements out and stays attached to the base with a security cable. It offers a contemporary design that was made with functionality and durability in mind.
