# The Riverview Series

## A Stylish and Modern Waste Container

Combining the strength of steel rails and the beauty of stainless steel creates an upscale appearance with a contemporary style. Decorative canopy cover option mirrors slat base design and performs well outdoors. Attractive planter complements the receptacles for a cohesive look. These site furnishings offer an elegant and professional look but designed with functionality and durability in mind.

- Waste Container Base and Planter are constructed of heavy-gauge, fire safe vertical steel rails and 304 grade stainless steel; unit offers extreme durability. Weatherproof, powder-coated finish provides long service years.
- Snug fit lid designs with metal chain on the waste receptacles connect lid to base for additional security.
- Lids and trim rings are constructed from heavy gauge 304 grade stainless steel; won't easily rust.
- Waste Container has a 4.5" top and 9.375" bottom decorative stainless steel trim rings and the Planter has two 4.5" decorative stainless steel trim rings encompass the top and bottom.
- Waste Containers include a 25-gallon powder-coated black galvanized liner with handles and grab bag holder to secure the trash bag in place and for easy maintenance.
- $\frac{3}{4}$ " feet add stability, prevent weather damage and protect floors
- Canopy lid has 9" trash opening and the standard lid has a 7" trash opening.
- Canopy cover acts as a rain guard to help keep the weather elements out; perfect for outdoor use.
- Complementary planter includes a black polyethylene liner; 19" H x 14" Dia. A drainage hole can be drilled in the bottom of liner if needed.
- Bolt-down hardware included to secure the unit in place.
- 1-year warranty
