Add a basic flap door to fully encase waste contents from view and reduce pest entry.

## Configurations

### Single

### Double

### Triple

### Sideload

### Topload

\*Available in 12-55 Gallon Capacities

## TYPE-2 Material

Type-2 Material is impervious to insects, moisture and mold, meaning it won't rot, splinter or become dinner for pests as wood often does. Added UV inhibitors keep its colors stable while bonding agents create complete molecular linkage for optimum structural integrity.

- Manufactured from high-grade of recycled HDPE, and unlike other plastic recycling centers, contains no foam fillers
- Top-of-the-line pigments and UV inhibitors are used to maintain color for decades

## Warranty

Nex-Terra offers a three year limited warranty on all of our products to be free from defects in workmanship and/or material(s). Nex-Terra makes no warranty with respect to either the merchantability of our products, or their suitability for any specific purpose or use.
