

This contemporary waste container with a unique stone appearance offers extreme durability and convenient ease-of-use. The 42-gallon Square StoneTec® Waste Receptacle is constructed from long-lasting polyethylene with polymer concrete stone panels. Designed to withstand extreme climates while maintaining its beautiful aesthetic, this heavy-duty waste container won't rust, dent, or chip.

KEY BENEFITS & FEATURES:

- Ideal indoor or outdoor solution, perfect for any business
- Durable and built to last in the harshest weather conditions
- Environmentally-friendly containers, molded from long-lasting recycled polyethylene that won't rust, dent, chip and is graffiti-resistant
- Decorative and durable panels made from real stone create an upscale appearance that complements any design style throughout any property
- Material is easy to maintain and clean, saving you time and hassle
- Panels ship inside the waste container– minimal assembly required
- Covered Dome-lid keeps weather elements out and provides convenient access to disposal on all four sides
- The innovative snap lid closure and patented Grab Bag™ system secure the trash bag in place for a cleaner appearance with a decreased chance of the lid blowing off
- Optional 42-gallon liner available to streamline maintenance needs – Item #734401
- Optional base-to-lid cable attachment #795500 and bolt-down hardware #793100 available to protect your investment
- 100% Recyclable after use
- Standard 2-day lead time
